Dear Mr. *****:

We are writing in response to your proposal to provide support for the accelerated processing of the Title V permit application from *****. We are pleased to inform you that we are accepting your offer as outlined in our ***** request letter and your bid package which was received by the Department on *****.

The kickoff meeting has been scheduled for ***** on ***** in our office. I look forward to meeting you and to working together to successfully complete this project.

Please be aware that any changes from the scope of work for this project must be preapproved by the Department and that the additional effort associated with each change must be documented to the satisfaction of the Department before any additional payment can be made. In no case can the Department exceed the statutory limit (\$25,000) for noncompetitive contracts in your processing of the application.

If you have any questions, please give me a call at 506-****.

Sincerely,

cc: Russ Luder
